

EDVARD MUNCH

Loten, 12/12/1863 – Ekely, 23/1/1944

E. Munch

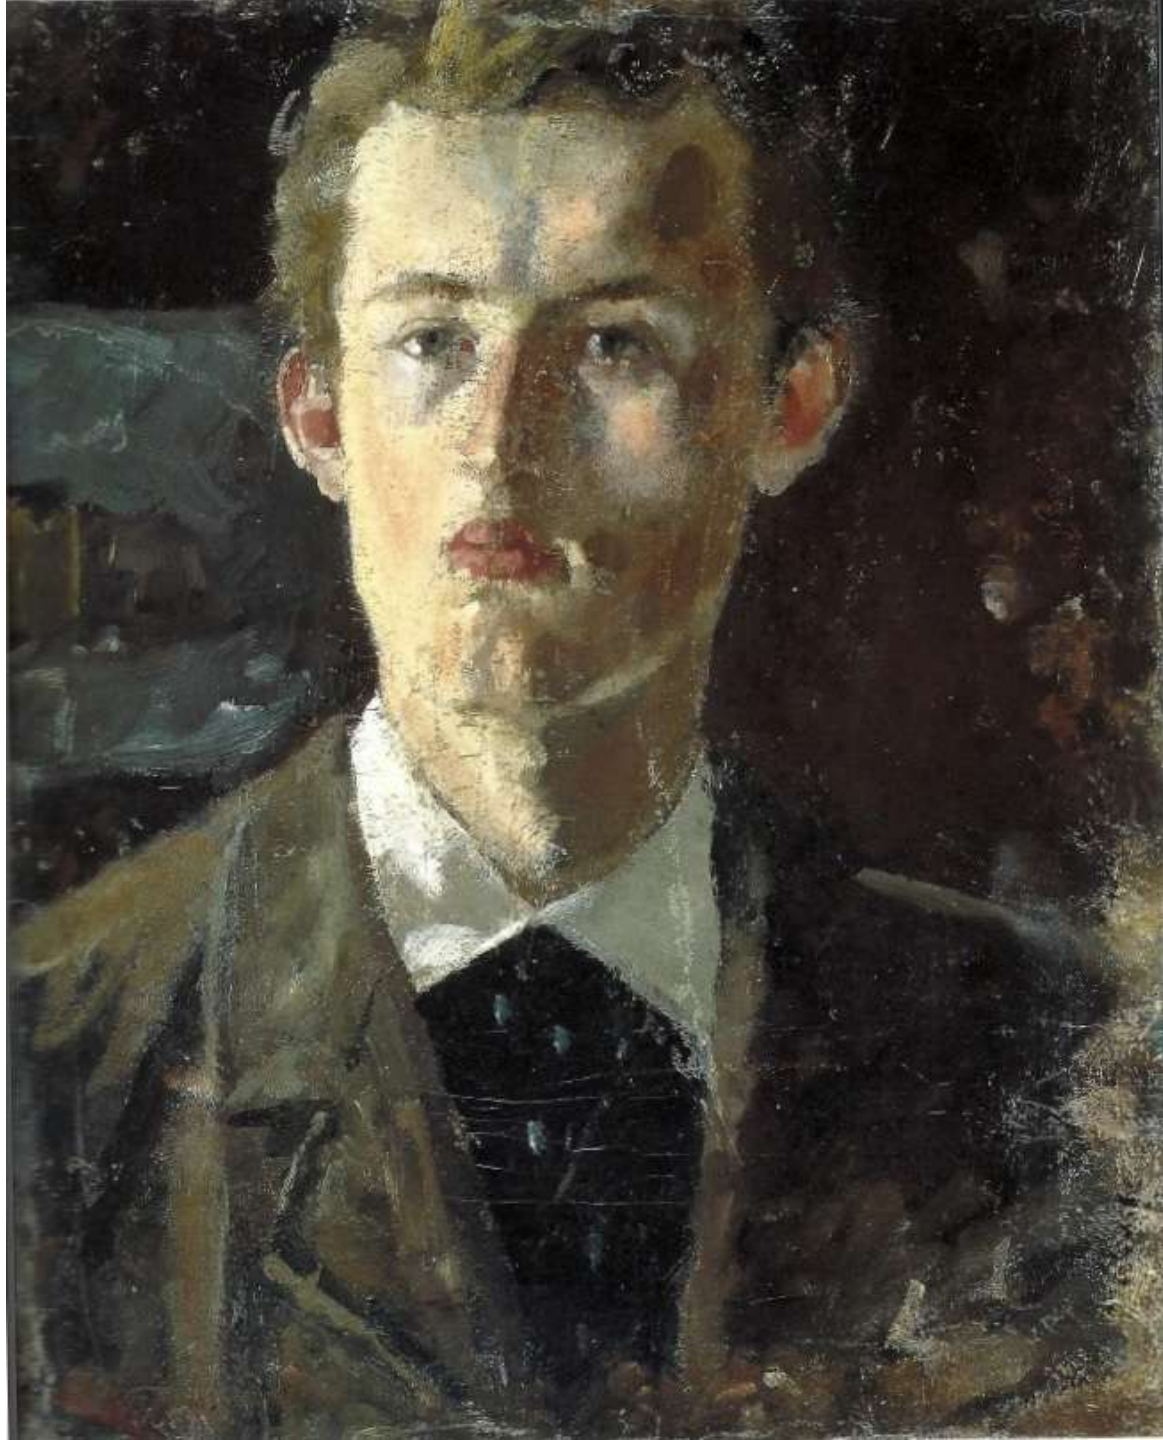

a cura di

LUCIANO CAPRILE

CRITICO D'ARTE

—
"La malattia,
la follia
e la morte
sono gli angeli
neri che hanno
vegliato sulla
mia culla
quando
sono nato."

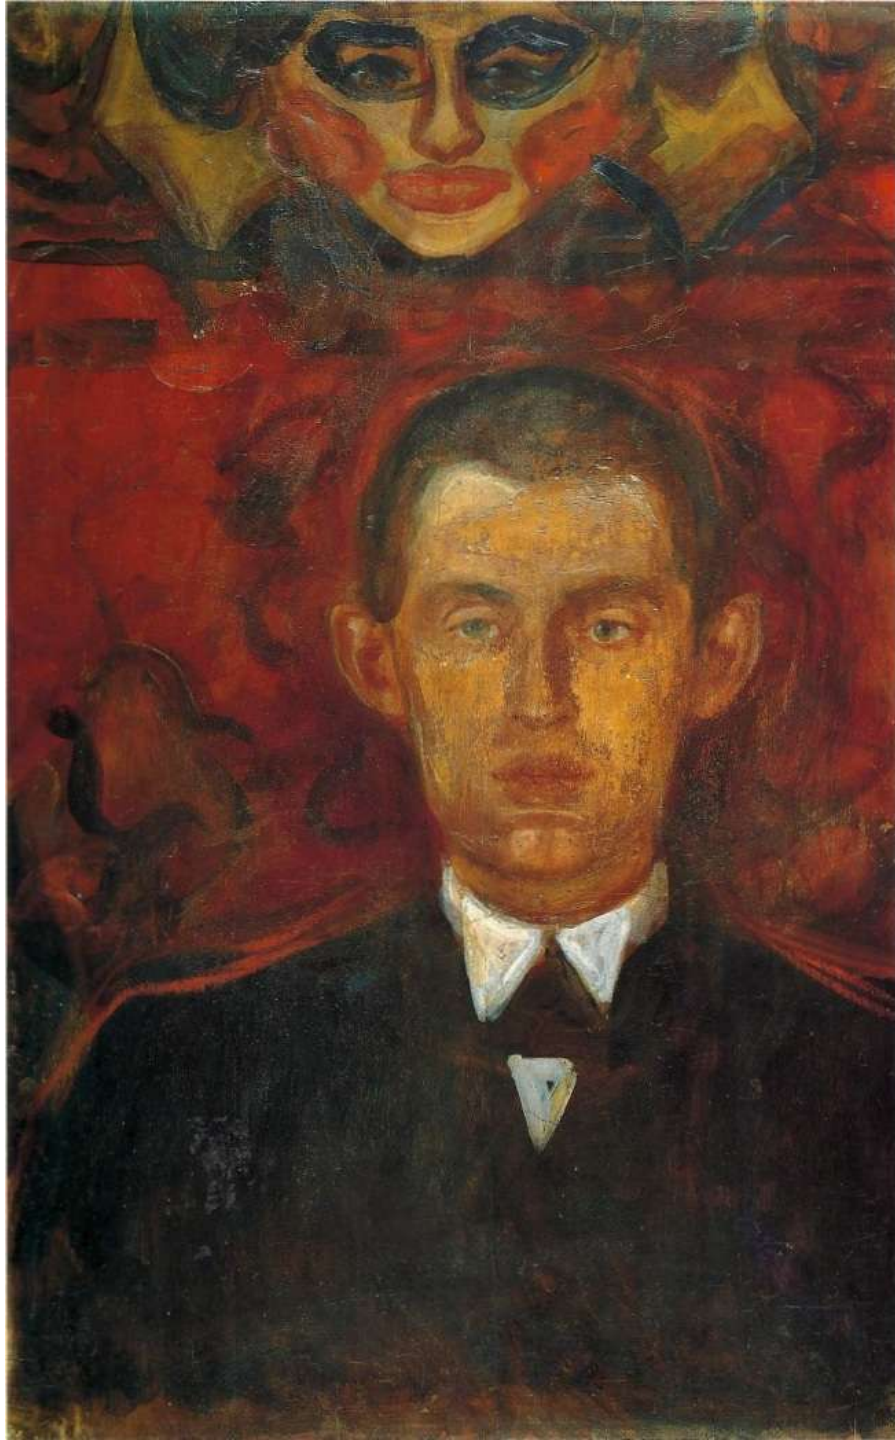

—

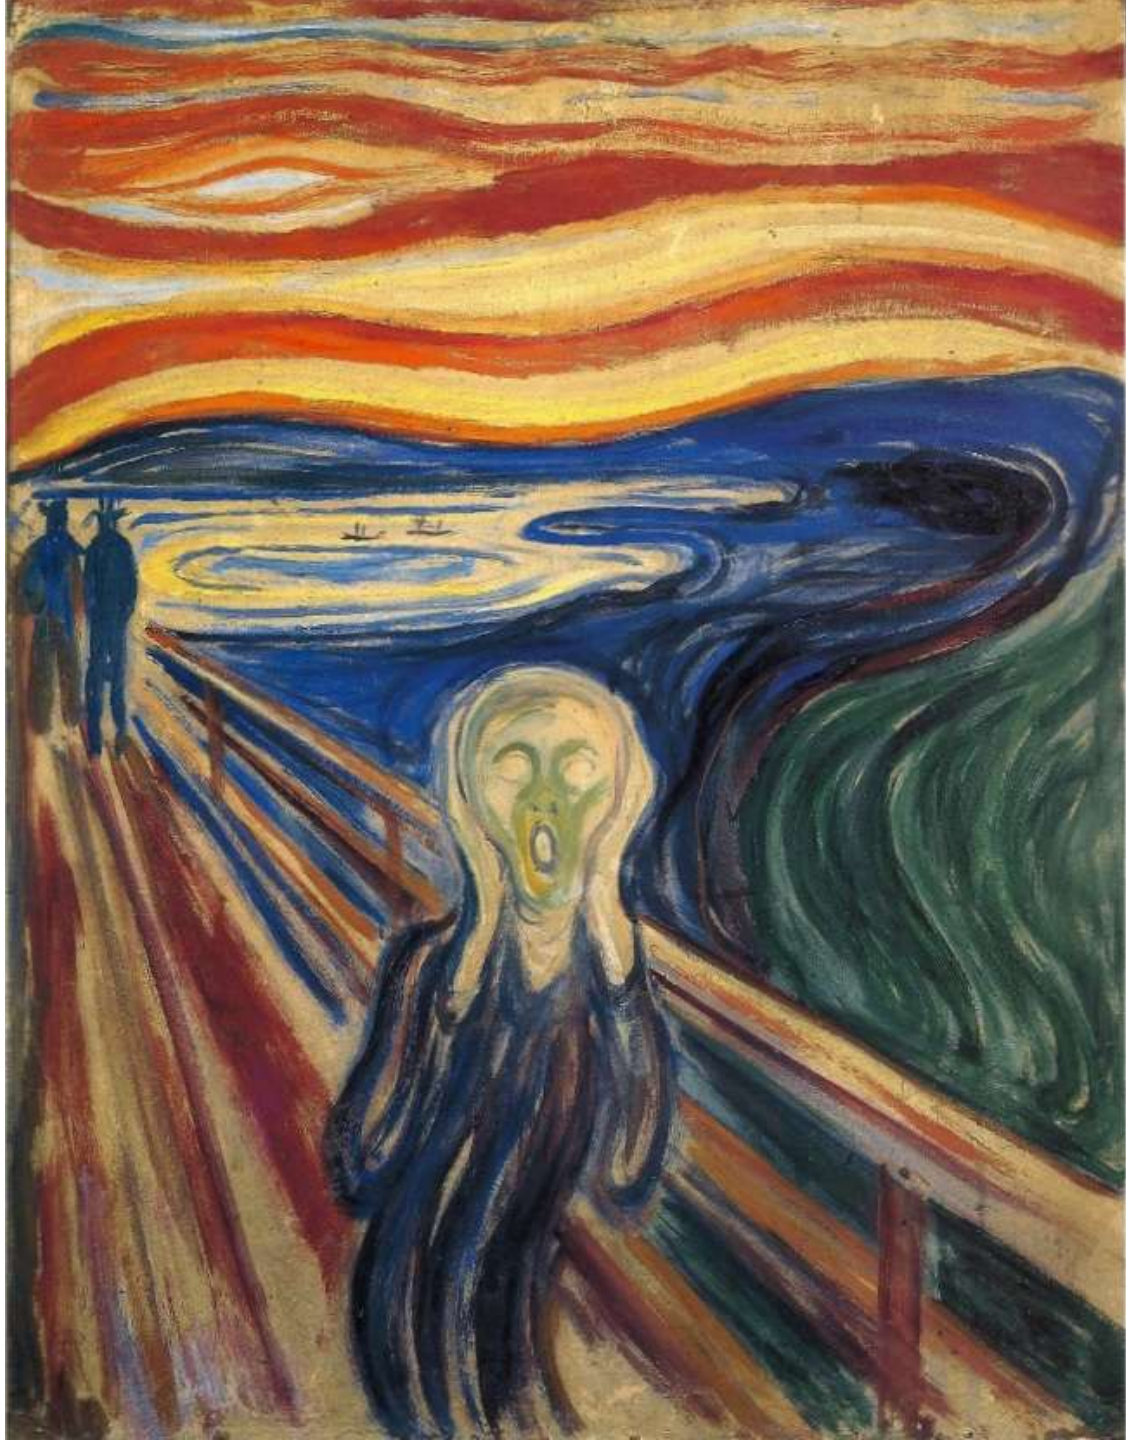

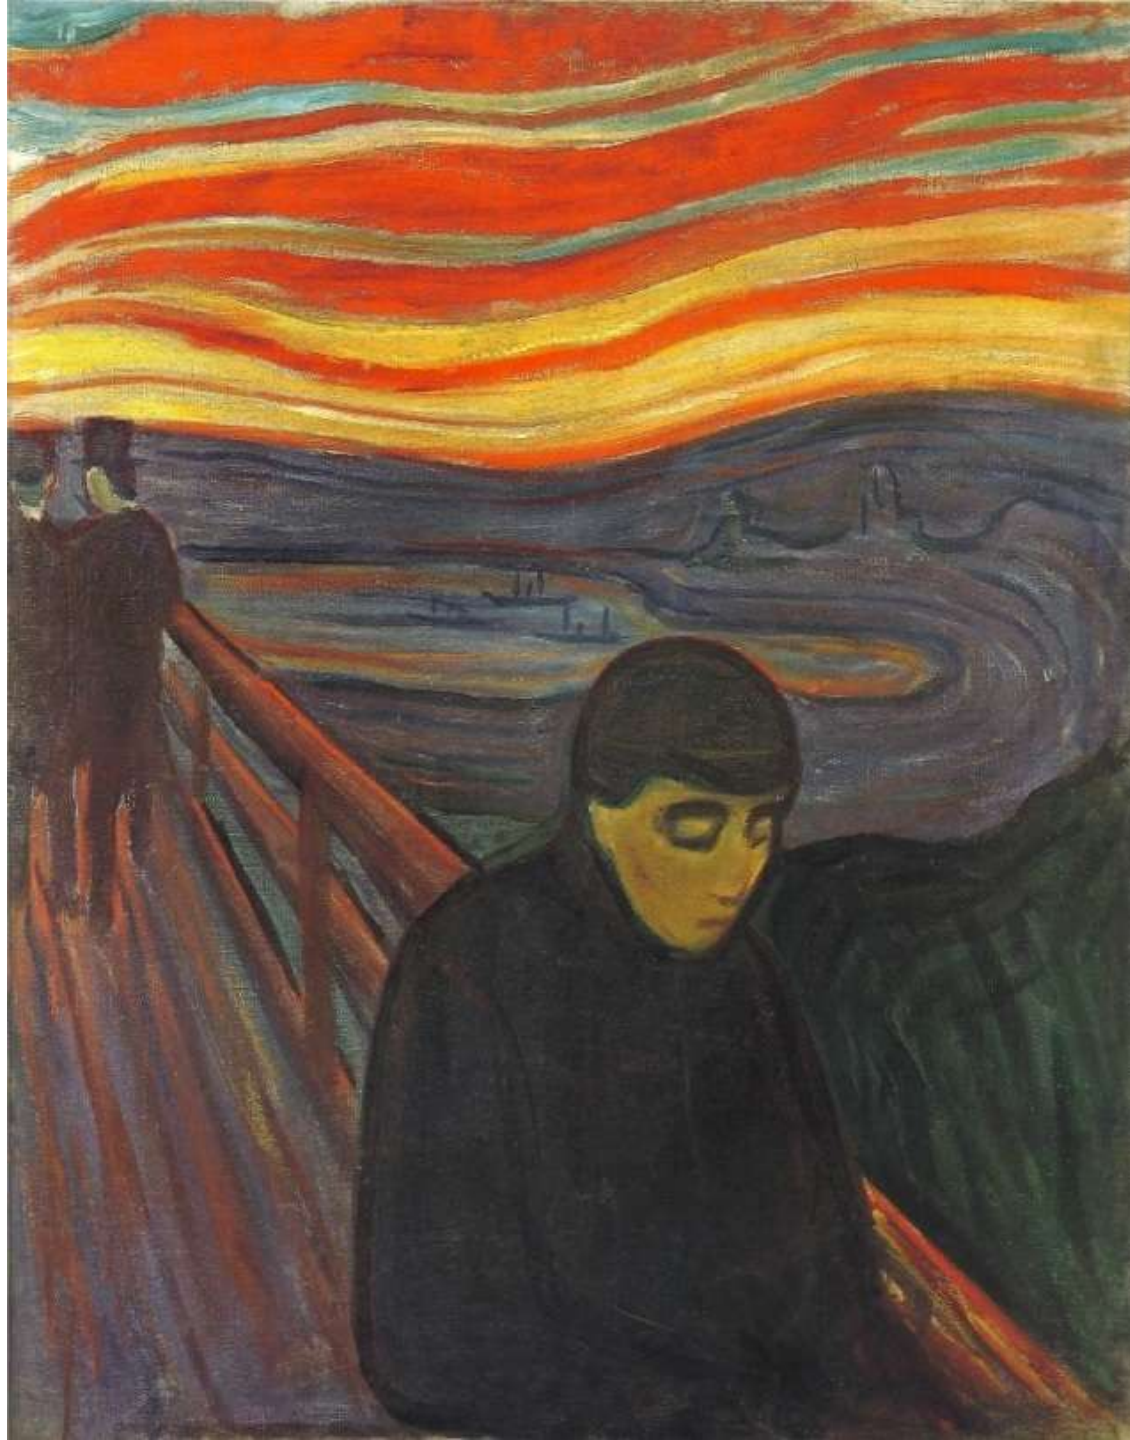

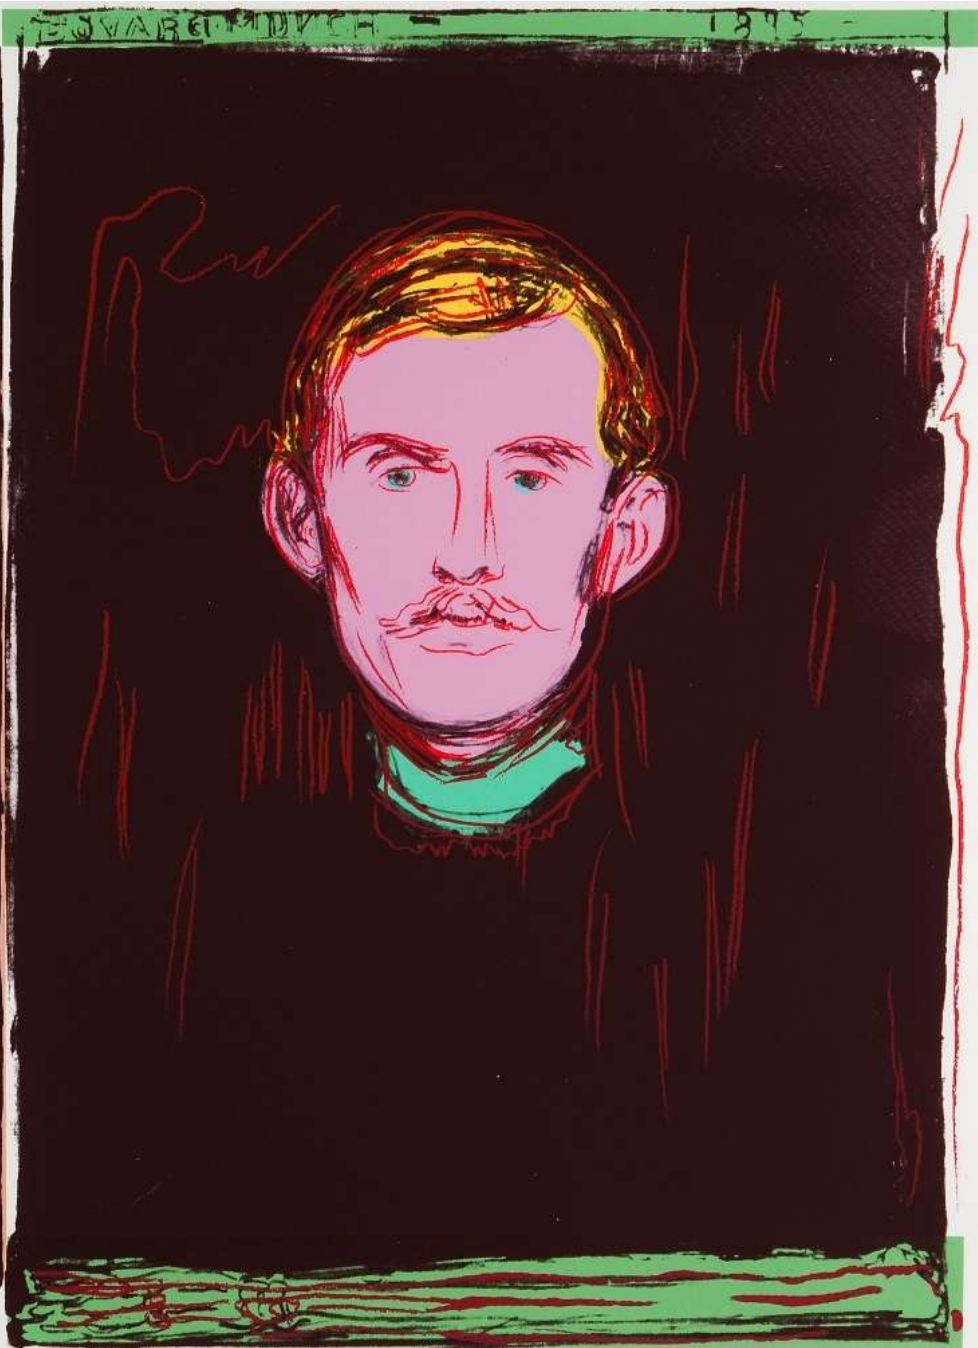

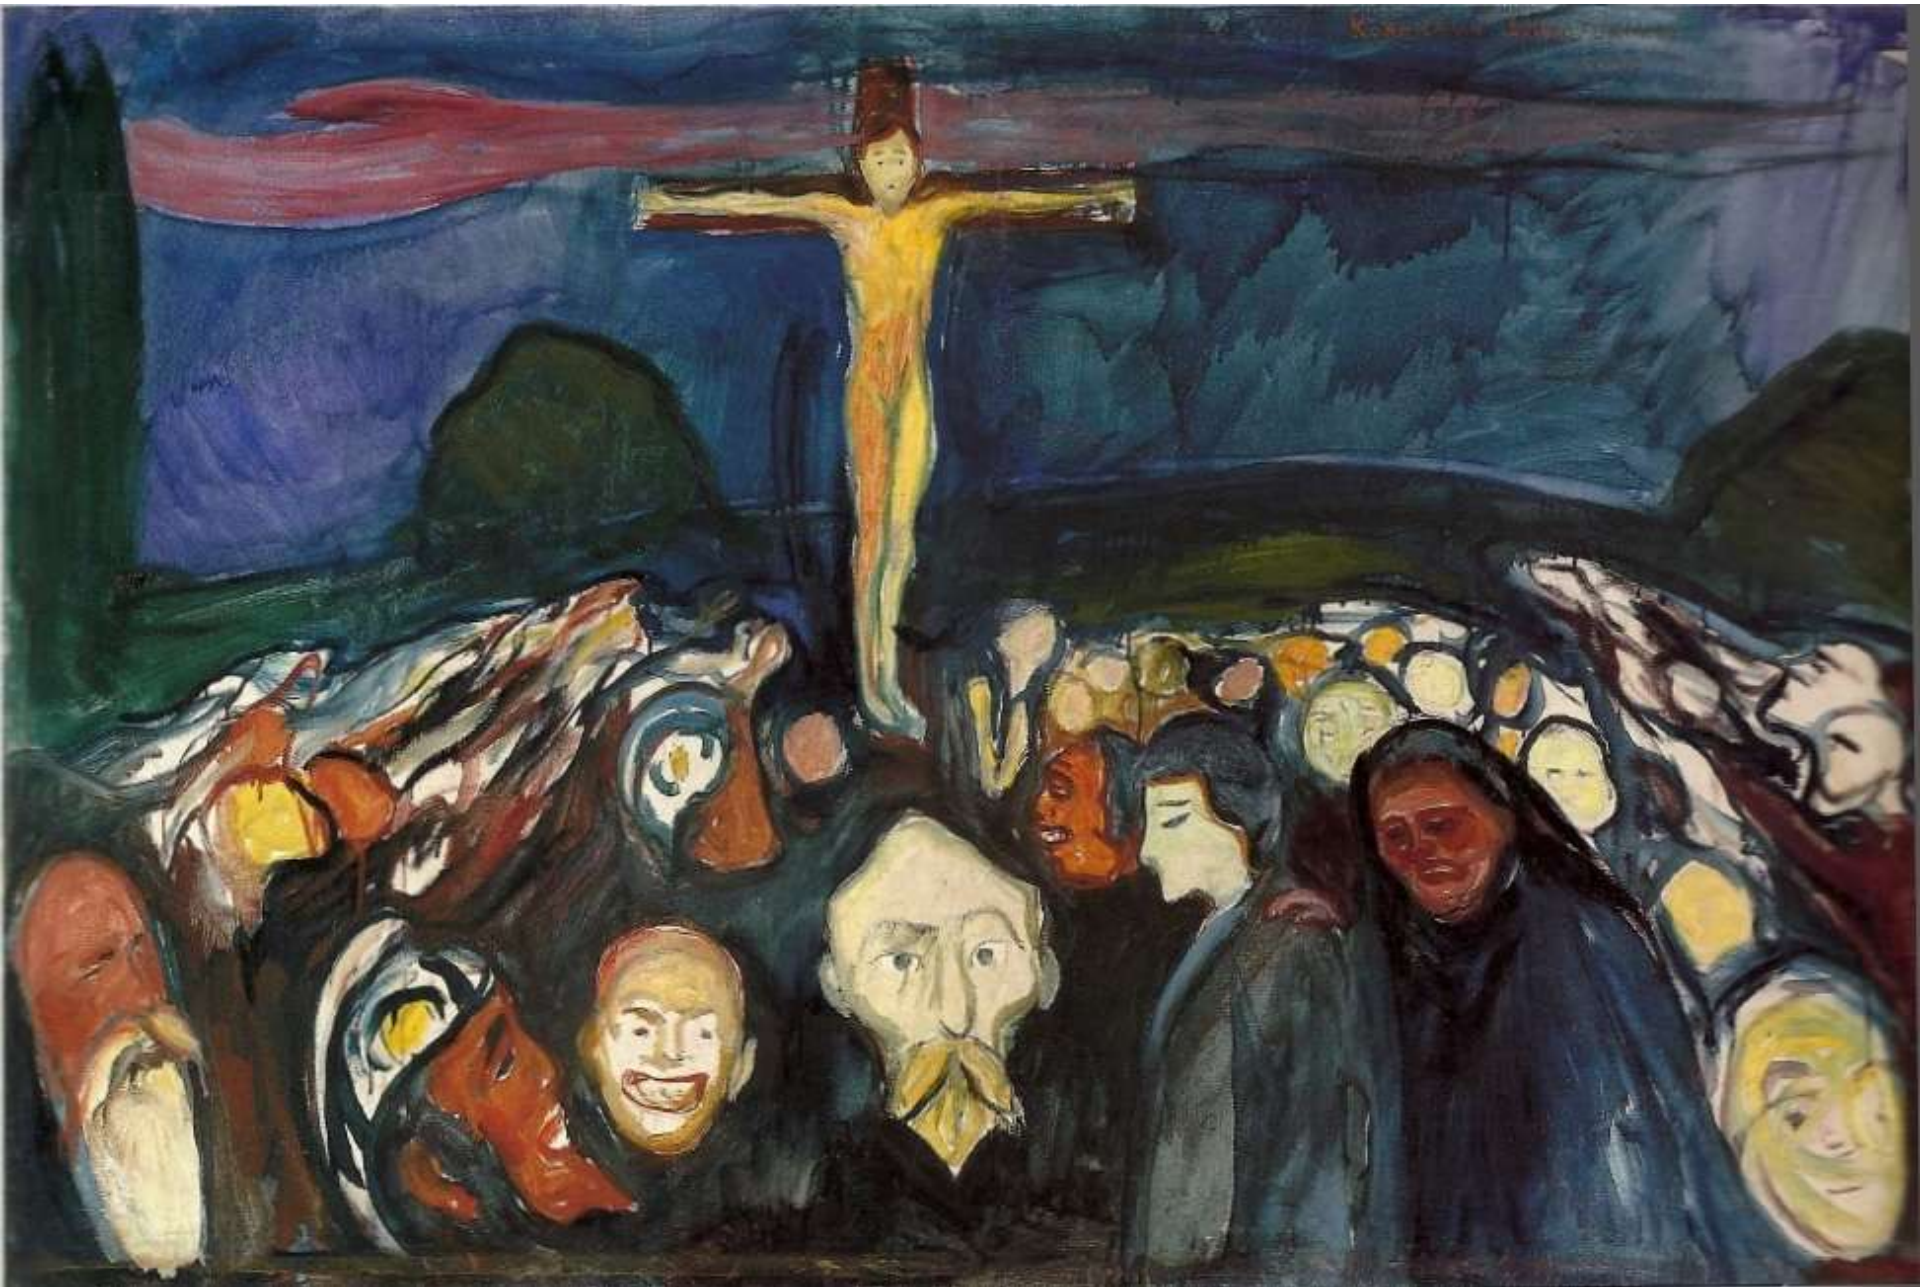

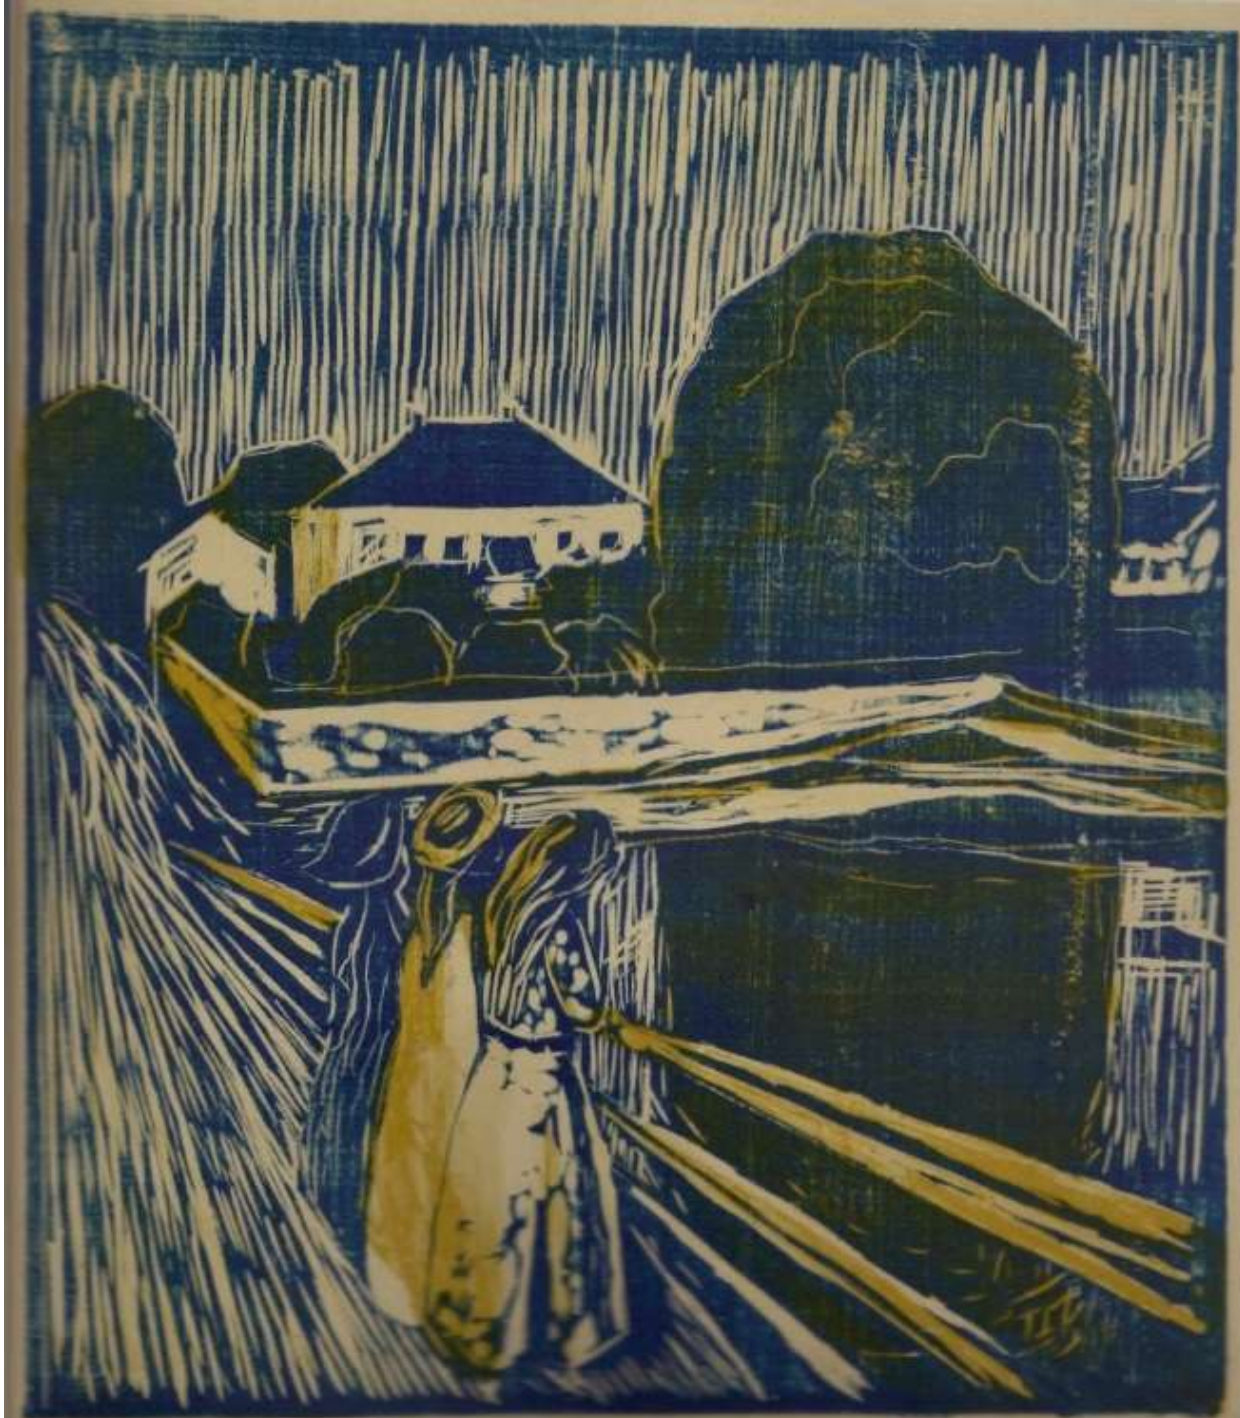

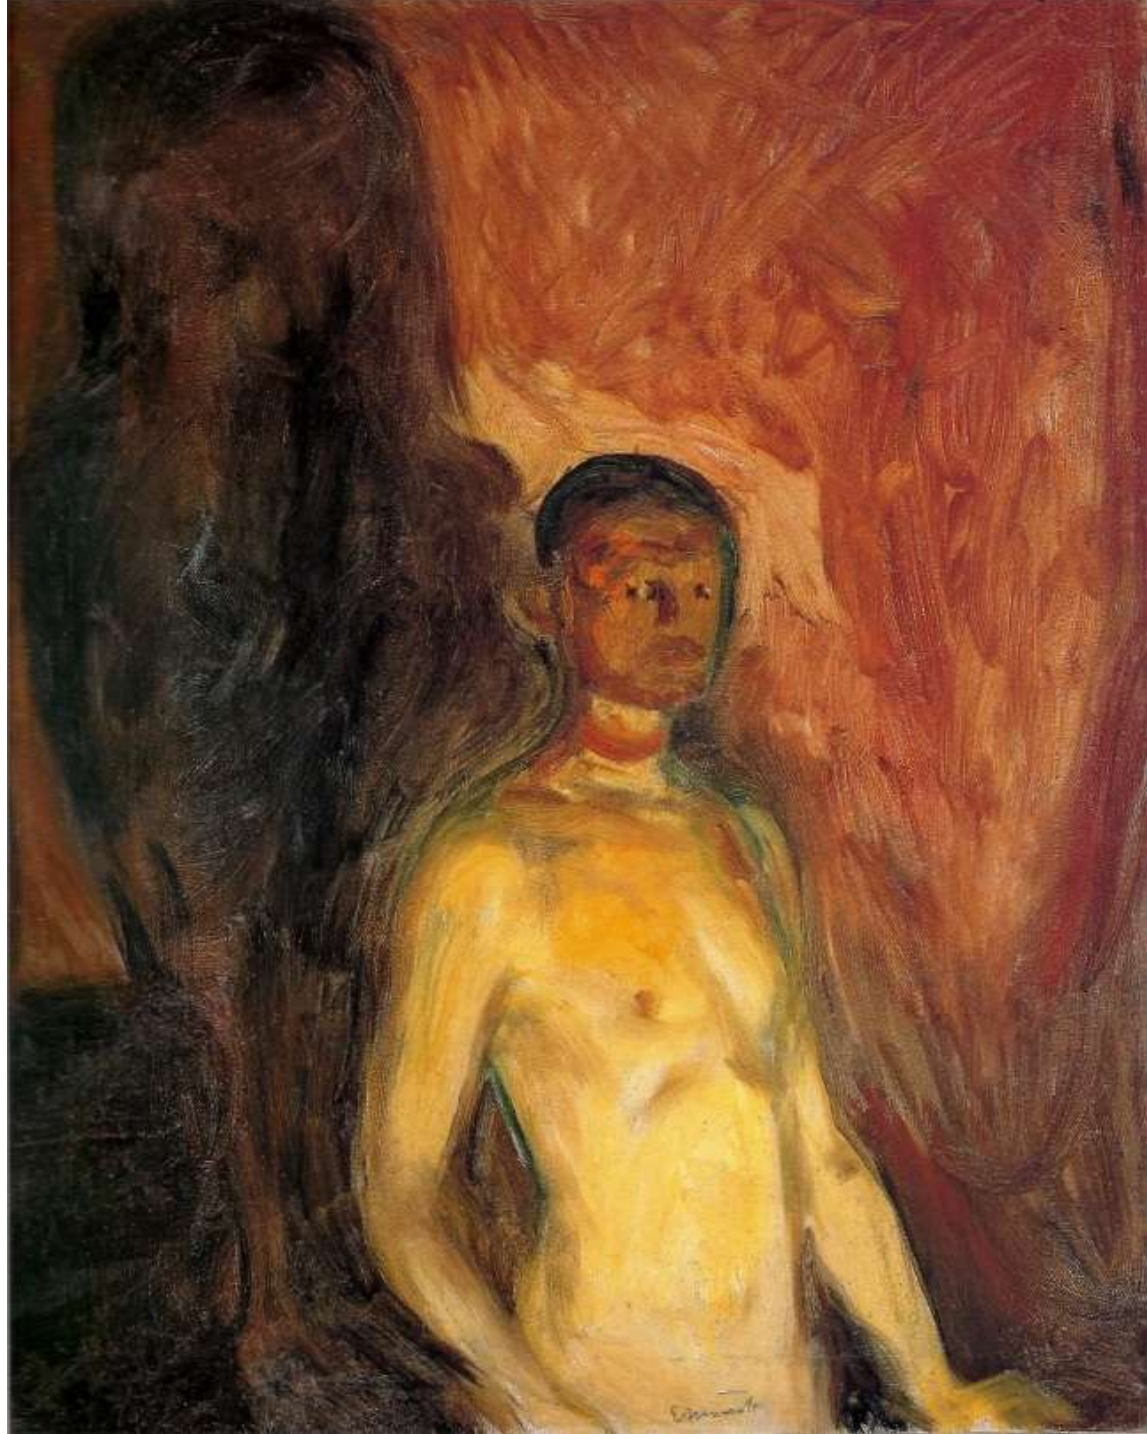

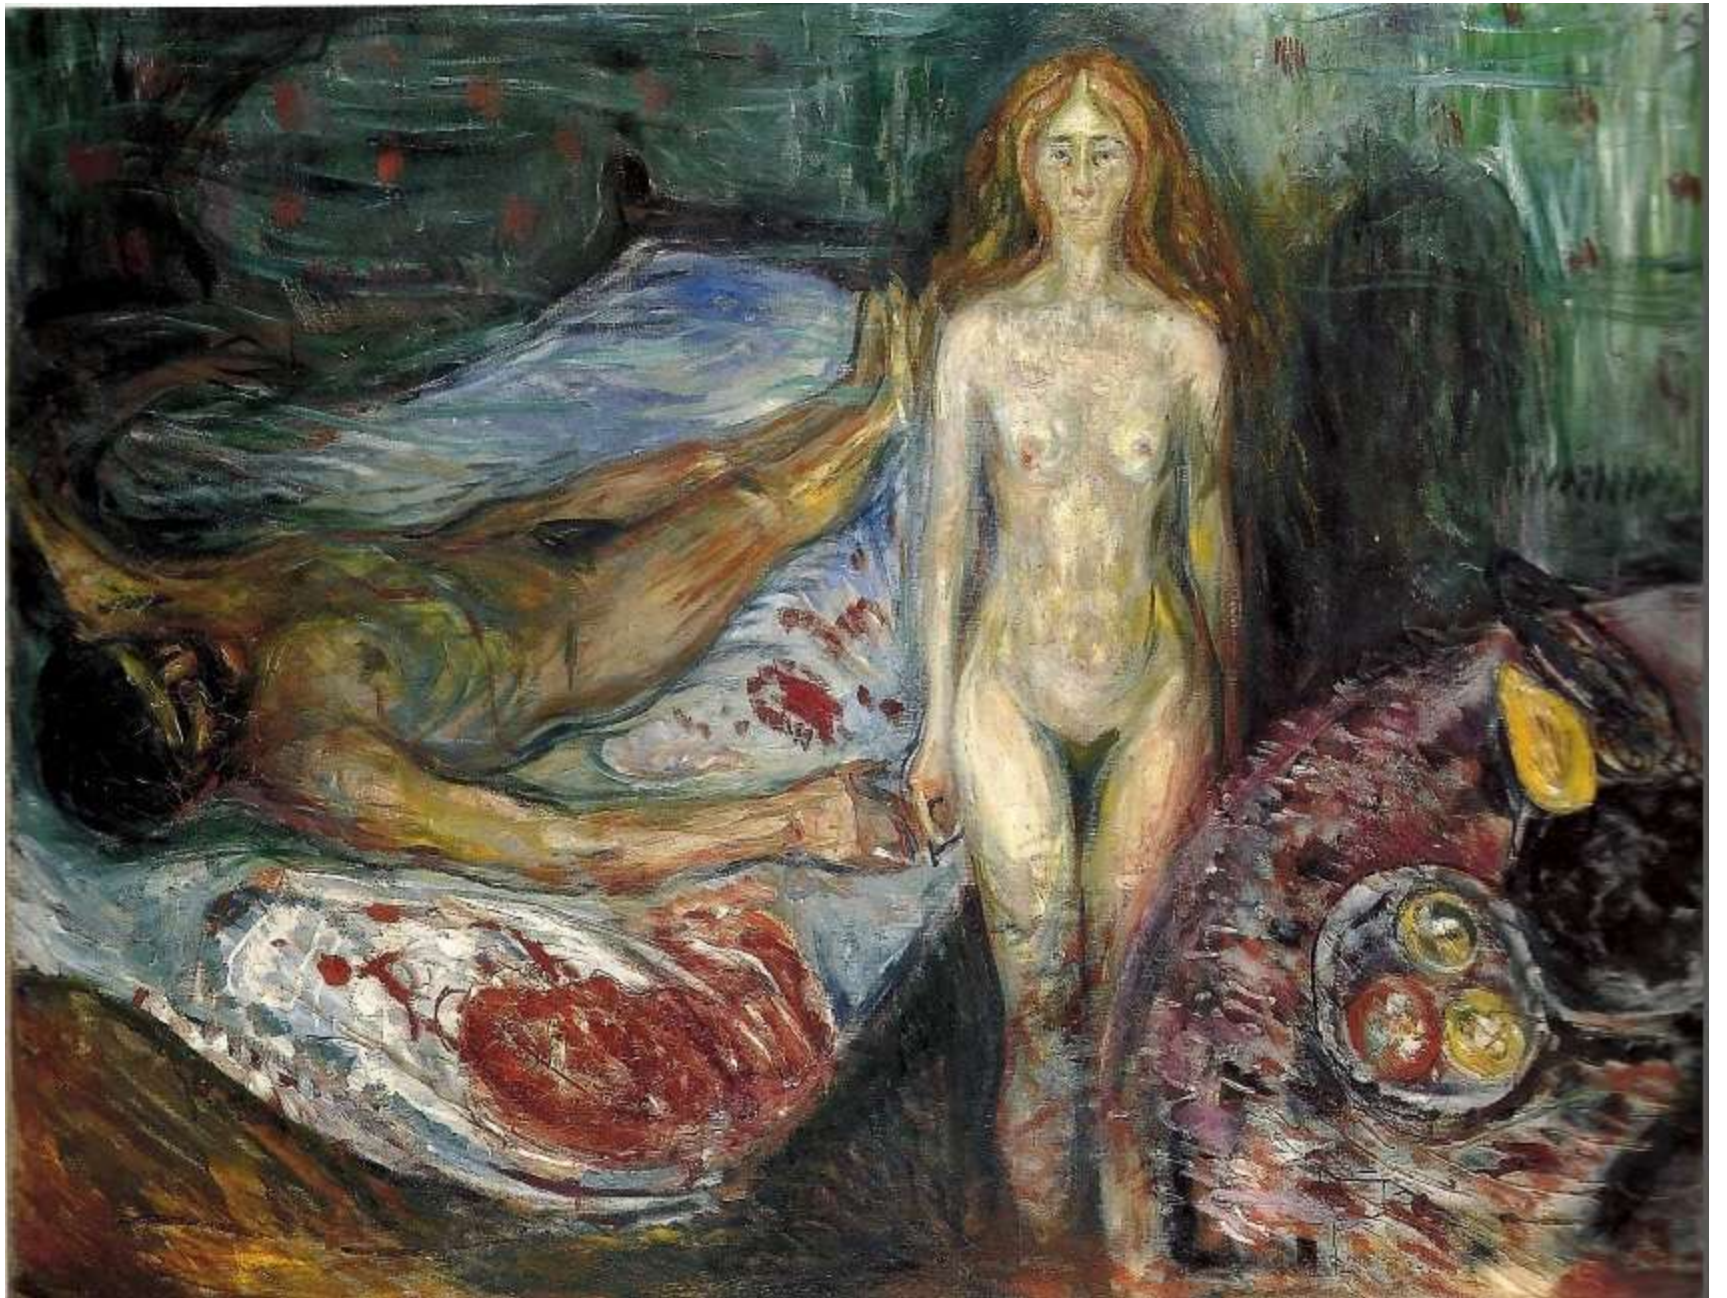

E. Munch

—
"Che cos'è l'arte?
L'arte nasce dalla
gioia e dal dolore.
Ma soprattutto
dal dolore.
Nasce dalla vita
umana."

—

E. Munch
